WHY SUPPORT DUNWOODY LACROSSE

The Dunwoody High School Boy's lacrosse program is building a strong foundation on the values of family, community, and positive attitudes. All members of the program will strive to establish this tradition through hard work, professionalism, and loyalty.

Dunwoody Lacrosse is entering its seventh season of GHS sanctioned lacrosse and has been established as the premier public school lacrosse program in Dekalb County.

The primary goal of the lacrosse program is to develop student athletes of great character, integrity, and dedication – both on and off the field. Our uncommon commitment to excellence is exemplified by holding our coaches, players, and parents accountable for their actions.

Dunwoody takes great pride in representing our teammates, families, friends, schoolmates, and business community both on and off the field.

Won't you consider partnering with us to support these young men the game of lacrosse? The players, coaches, and board of directors thank you in advance for your generosity.
